

Chinook Trail Middle School
Brain Bowl Club Application

Student Name: _____ Team _____

Bring this completed application to Mrs. Guerin or the Office as soon as possible, but no later than November 13th in order to be considered for a Brain Bowl team.

The Virtual Brain Bowl Experience

- Practices will be on Microsoft Teams. For the remainder of the semester, students will be assigned a different group of teammates in their grade for each practice. Mrs. Guerin will announce permanent teams in January.
- There will be one statewide virtual competition. It will involve no written round. There will be no buzzing in--teams will alternate questions during the competitive rounds. Teams will be allowed to steal if their opponent answers incorrectly.
- Each school is allowed to send three teams of 5 (no alternates) to the competition as of now. CTMS plans to send one from each grade. We have requested the opportunity to send more teams if there is space. We will hear back about more teams in early December.
- A written Brain Bowl test may be administered to Brain Bowl applicants to determine the teams that will compete.

Brain Bowl Practices and Competitions

Practices: Beginning November 18th, Wednesdays from 3:00-4:00pm
Virtual Competition: Saturday, January 30, 2021.

Student Questions

Parent/Guardian Approval

I am aware that my child is requesting to join the Brain Bowl club. I understand that it will require a commitment to the team, being present at all practices, and attending the virtual competition event should my child be selected for a competitive team.

In addition, I understand that the practice time is on Wednesdays after school from 3:00-4:00 on Microsoft Teams.
